Translated and with a preface by Mark Harman

Left unfinished by Kafka in 1922 and not published until 1926, two years after his death, *The Castle* is the haunting tale of K.'s relentless, unavailing struggle with an inscrutable authority in order to gain access to the Castle. Scrupulously following the fluidity and breathlessness of the sparsely punctuated original manuscript, Mark Harman's new translation reveals levels of comedy, energy, and visual power previously unknown to English language readers.
